

# CERTIFIED PUBLIC EXPENDITURE FORUM

OCTOBER 28, 2016

10:00 AM – 3 PM

Miami-Dade Fire Rescue Training Center  
9300 NW 41 Street Doral Florida

In coordination with the Florida Fire Chiefs Association, Miami-Dade Fire Rescue will be hosting a Certified Public Expenditure (CPE) Forum to discuss the process for public EMS providers to enhance the reimbursement for transporting Medicaid patients.

This program was approved by the Florida Legislature in 2015 and will require submission of provider data to the Agency for Health Care Administration (AHCA) by November 30, 2016.

The purposed of this CPE Forum is to discuss the cost reporting forms required by AHCA, share information about the methodology used to analyze relevant data, and possibly develop a common approach to that can be replicated by other agencies.

MDFR will host the CPE Forum at the MDFR Training Center in Doral. MDFR will provide for electronic interfaces so agencies unable to attend in person will be able to watch, listen, and participate in the Forum via a webinar.

## Participants:

Public Consulting Group    MDFR has retained this consultant to assist our department. PCG will attend the CPE Forum and discuss how they are approaching the project

Intermedix                    the MDFR billing vendor will attend and provide direction about eligible patient transports and current reimbursements

AHCA                            AHCA has not committed to appear in person but should have a representative available to answer questions via webinar

MDFR CPE Team              the MDFR CPE personnel responsible for developing the data and completing the cost reports will be on hand to discuss methodology and cost allocations

REGISTRATION :              FOR FREE REGISTRATION send an EMAIL TO [SWIM@MIAMIDADE.GOV](mailto:SWIM@MIAMIDADE.GOV)  
Please indicate whether you will be attending in person or via webinar and how many people will attend. WEBINAR information will be sent to the email address used to register early next week. If you have any questions call Miami-Dade Fire Rescue Assistant Director Scott Mendelsberg at 786 331 5121
