1. Welcome/role call

- 2022 Training Schedule (see attached)
 - SHSGP – ops/tech
 - **Scott –**
 - \$120,000 training funds that had to be allocated and spent – Starting in March 28 completing June 15. TF 8 is handling the money, Marion is holding the class. Does not cover OT/Backfill etc. only tuition. There is a possibility to cover dorms.
 - Document will be pushed to Training managers, seats will be distributed by type of team.
 - 3 weeks out, open seats will be offered up to TF and then TRT
 - Specialist training will occur simultaneously
 - SHSGP 5-year plan
 - Will be discussed in February
 - Have to update every year.
 - Small tweaks will be necessary

- LBR – FEMA specialist courses
 - **Jeff** –
 - Of the 11 positions we will be able to deliver 9
 - Original plan was to have 1 and 2 host all classes
 - TEEX was contacted
 - Contract made its way through legal and is at TEEX
 - Full scale exercise as well
 - The goal for first course is end of February, then potentially 4 classes a month.
 - All classes are held at FSFC, unless Chief Harper and Training TEEX agree to hold somewhere.
 - Gap analysis was performed and has been the driving force behind the planning.
- Confirmation of the seated members for the FASAR Training Workgroup/Terms
 - Aaron will follow-up with teams to confirm workgroup membership
- **ACTION ITEM** –

2. Reoccurring funding solutions for 2023 (Chappell/Downey)
 - **Kohnke** – warehouse space
 - Trend is not to sustain personnel
 - **Downey** –
 - Continue on path with SHSGP, if LBR is successful then we will adjust templates.
 - LBR is only one-year
 - Meet your deadlines that Chief Downey and John ask for.

3. Common training database platform
 - **Jeff** –
 - FL 1 and 2 have MYDB Solutions for a few years.
 - Database help to defend justifications.
 - Can expedite ORE and Administrative Readiness evaluations.
4. Adoption of the FEMA TPAM/Instructor process
 - Original Florida TPAM was submitted 2019, following the FEMA TPAM
 - Updated 2020 FEMA was a significant re-write
5. Update on FEMA Courses loaded into FCDICE (Chappell)
 - **Scott** –
 - FCDICE, courses are all in, if you host a course make sure you select the correct course i.e. FEMA equivalent.
 - The rule that allows FSFC to offer USAR courses does not include Specialist, when it is revised, the request will be made to include it as well.
6. FASAR Fire East workshop
 - CivTAK overview
 - Survey 123 overview
 - FSU Drone program
7. Roundtable
 - **Strategic Plan**
 - Re-visiting the strategic plan for FASAR –
